

We Welcome New Volunteers!

Help make a difference in the life of a Junior Golfer in Greater Cleveland

Join the volunteer team at First Tee – Cleveland, and support a terrific character development program while teaching kids and teens the great game of golf!

Open to youth ages 6–18, we help young people develop strong interpersonal skills, set goals, build resilience skills and plan for the future. Our volunteers help us in many ways:

- **Deliver First Tee Life Skills, Golf Skills and Healthy Habits curricula**
- **Coach Golf**
- **Help with Special Events**
- **Help deliver “Fit To A Tee” -- our indoor culinary curriculum**

2. After receiving your application, we will contact you for an interview. Should we see a mutual fit with your interest and talents, you then submit a background check online.
